MELBOURNE IT APPOINTS PETER FINDLAY AS CHIEF FINANCIAL OFFICER

MELBOURNE, Australia – 31 August 2011 – Melbourne IT Limited (ASX: MLB) today appointed Peter Findlay as Chief Financial Officer.

Mr Findlay has significant experience leading finance operations across a range of industries during the past 16 years and in his role as CFO will head Melbourne IT's finance function globally.

He joins Melbourne IT from Australian Music Group, the country's largest retailer and wholesaler of musical equipment, where he was CFO since April 2010. Prior to that, Mr Findlay spent three years as Group Finance Director at specialist cleaning product retailer, Godfreys, and six years in senior finance roles with Linfox and Mars Petcare ANZ.

Mr Findlay began his career with six years at KPMG where he was involved in audit and managing the Strategic Vision consulting practice within the firm's Australian operation, consulting to large ASX-listed companies.

"Peter has very strong experience in all areas of financial management and business development gained through many challenging senior positions in highly competitive industries," Melbourne IT CEO & Managing Director, Theo Hnarakis, said.

"We believe his strong treasury, taxation, financial and management reporting skills, plus his background in managing M&A activity, will be of great benefit to Melbourne IT. Additionally, his role in driving a major systems overhaul at Mars Petcare will be invaluable as Melbourne IT continues to roll out the second half of its transformation program."

Mr Findlay holds a Bachelor of Business (Accounting) and is a member of the Institute of Chartered Accountants. He will join Melbourne IT in November.

ENDS.
